Subject : STEWARDS DECISION NO : 12

Document No: 2.15

From : The Stewards

To : The Competitor of car No. 84 DETTORI GIUSEPPE
Crew GIUSEPPE DETTORI / CARLO PISANO

The Stewards received a report from the Clerk of the Course, with documentary evidence attached, stating that the crew of car No. 84 stopped on special stage 10 on 11th June 2016 at 09:23 hrs and failed to activate the OK switch on the emergency console for 2:36 minutes.

The crew was then informed accordingly by the Stewards and was given the possibility, if they wished, to bring forward any representations other than having forgotten to push the button in the heat of the moment.

The Driver and the Co-driver appeared in front of the Stewards on 12th June 2016, at 15:35 hrs.

The drivers stated that they did push the button but that the system had obviously failed. The Stewards checked again with the provider of the tracking systems who confirmed that the system had been working perfectly during Saturday. Signals from the car had been received all day.

The drivers then were given the opportunity to look into their onboard footage to see if they could find any kind of evidence there. Their reply was to the negative.

The Stewards consider that a breach of Article 40.3.3 of the 2016 FIA WRC Sporting Regulations has been committed and having further considered that Mr. Dettori is a non-priority driver, after due deliberation

DECIDE

That Driver Giuseppe Dettori and the Co-driver Carlo Pisano shall be jointly and severally liable to pay a **fine of € 250**.

The Competitor is reminded of his/its right to appeal.
