

## INFO FROM SERVICE PARK (after SS19 Power Stage)

Car #20 – T. Neuville / N. Gilsoul: “Sardinia brings good luck to me, it is my third podium here! The decisive moment was yesterday when I got extra 10 seconds on Latvala. From that moment the rally changed completely. The idea was manage. The first win on gravel maybe is also better than my tarmac one, maybe also because it was more difficult to stay on the lead. I am very happy!”.

Car #1 – S. Ogier / J. Ingrassi: “Main task are the 18 points got in the race and the Power Stage, where we were very good to win even if we also had to reverse to correct a line. Now we think about Polonia”

Car #9 – A. Mikkelsen / A. Jaeger: “On the Power Stage I did not push because I did not want to get points or I would have passed Sordo and I would have started second in Polonia too. Unluck for the rock that I found on my way yesterday”.

Car #2 – JM. Latvala / M. Anttila: “A very positive weekend, I am very happy for the team and for the points. Car was perfect and now I will try to win in Polonia where I will start for sixth”.

Car #4 – D. Sordo / M. Martí: “A very good weekend and now I am second in the championship. That goes to show that my performance are regular and that, in the end, we can notice the points. I will start for second in Poland but it will not be a problem as then, in Finland, we will enjoy on tarmac.”

Car #6 – E. Camilli / B. Veillas: “I am very happy about this result during such a difficult and selective rally. This is a confirmation after Portugal. I know that it will not be easy to keep improving but I realise that I can improve race by race and I have good notes.”

Car #16 – H. Solberg / I. Minor: “I am very happy about the final result. It is the first time that everything goes well in Sardinia”.

Car #34 T. Suninen / M. Markkula: “I did not expect to win the WRC 2 because roads are very difficult here in Sardinia, even if being so slippery helps the Finn drivers. I am very happy because this is the second win after Mexico”.
